GENERAL INFORMATION

The F. Scott Fitzgerald Theatre and Social Hall is owned by the City of Rockville and operated by the Department of Recreation and Parks. The F. Scott Fitzgerald Theatre is the perfect venue for events such as theatrical productions, musicals, dance performances, concerts, recitals, award ceremonies, speakers/seminars or your unique event. Our Social Hall is located on the lower level of the building and is available as an extra rental space for parties, banquets, extra rehearsal space, breakout sessions, extended cast dressing area, or a reception to follow your Theatre event.

The F. Scott Fitzgerald Theatre rental area consists of:

- **A 446-seat Theatre** with a proscenium thrust stage that is 40' wide x 30' deep plus an orchestra pit area in front of the stage that can be used for musicians or be covered by a stage extension/thrust installed at stage level, at a level two steps down, or at house floor level. Please note that our Theatre does not have a fly system.
- **An oversized Lobby** that includes access to the Box Office, standing room for 200 to mingle, restrooms, and a built-in concession counter and support area with a sink and refrigerator.
- **A backstage area** that includes a green room space and two dressing rooms, each with their own restrooms.

The F. Scott Fitzgerald Theatre is a clean performance space and may not be used as a shop space. No construction is permitted inside the venue. All work must occur prior to load-in, or must be done outside the loading dock door in the drive; that door must remain closed in order to keep dust from blowing inside the venue. Painting is not permitted onstage and is only permitted in the loading dock area when painting outside is not an option (ie: rain, temperature, weight of item being painted). Please ask for approval of theatre staff prior to painting anything inside the venue. Painting directly onto the stage floor is not allowed without prior written approval. If approved, the additional costs - including restoration, if necessary - must be paid in advance.

The floor of the theatre is two layers of ¼" Masonite overlaid onto tongue and groove hardwood on sleepers. All fasteners must be discussed with city staff prior to being installed.
